

PROFILE

I'm an Architecture graduate from the Measi Academy of Architecture, hoping to deep dive into the design field. My strengths revolve around the technical aspect of anything,

EDUCATION

'O' Level Education
Al-Fajr International School
2009-2014

Higher Studies
Kumaran Asan School
2014-2016

Bachelor's Degree
Measi Academy of
Architecture
2016-2021

EXPERIENCE

ARCHITECTURE
INTERN
2019-2020

Taamaesek Engineering Consortium

I worked as an intern in this firm for 1 year. This is a part of my academic syllabus. I learned a lot of practical exercises in architecture here. It was a great experience.

JUNIOR
ARCHITECT
Aug 2021- Jan 2023

Skyline Construttion

During my tenure at Skyline, I flourished as a junior architect, showcasing prowess in diverse architectural facets and earning commendable reputation from employers for my proactive approach and continuous learning.

ARCHITECT
Jan 2023- April 2023

IH Group

At IH Group, I applied my Skyline experience, excelling in design and rendering, earning acclaim before transitioning to freelance architecture.

FREELANCE
ARCHITECT
Aug 2021- Jan 2023

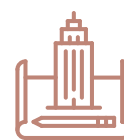

Dribbble and UpWork

Continuously freelancing since, I've completed 5-6 sizable projects, adeptly managing, supervising, and flawlessly executing each stage of the process
